

## Accessing Publishers' Platforms

This page provides an overview of various publisher platforms, and how to get started on them. Please follow the links/contact here for purchasing an individual license for e-books platform, or registering on JGU-licensed platforms.

We suggest students should click on the direct links provided in the List of Courses ([School Wise Course Material-Fall 2020](#)) to open the JGU licensed e-books, you may also find links to JGU licensed books in your JGU [E-Learning](#) class.
